

## **Vinum Vitae APP – Important Information for the Online WSET Level 3 Award in Wines**

### Study Programme

The course is based around an 9-week structured online programme with recommendation study (see below). The course follows a weekly structure, but it allows the student to work ahead or catch up on the activities and forums. There are no set times to log into the course as there are no live chats or webinars

### Method of Study

The course prepares the student for the qualifications and they are guided by a WSET Educator. The student can contact the WSET Educator any time for the duration of the scheduled course should they have any questions.

### Duration of course

9 weeks online, revision time, plus a 2.5-hour examination.

### Recommended Private Study

Students are advised to schedule a minimum of 90 hours private study to cover the online activities and to read the relevant chapters in the textbook. Regular access and participation in the course online activities is essential for this mode of study. Additional revision time should also be scheduled prior to the exam.

## Course Participation

When your course starts, you can login to your account and then perform the weekly exercises as you wish, either, on track, ahead or catch-up. You are advised not to fall too far behind.

If you have any question then simply email the WSET Educator assigned to the course via the online classroom, alternatively, you can contact us at Vinum Vitae APP for local support (responses within 3 business days).

## Tasting Workshop

A day's tasting workshop will be held a couple of weeks into the course in a Perth venue. Led by our WSET Educator, wines will be tasted during the day to calibrate your palate.

It is important you are available for this day.  
No other tasting workshops will be available during this course.

**However, due to the coronavirus, if Government restricted measures are in place that forbids group tastings, wine samples for the tasting workshop will be sent to you for home study and we will also send our tasting notes so you can calibrate your palate. This will replace the face-to-face tasting workshop.**

## Course End-date

After the course is complete, the online course becomes read-only for postings, however you will still have access to quizzes and the mock exam.

## **Exam**

**You must attend the exam at the specified Perth venue on the specified date and registration time.** The exact exam registration time will be given to you a couple of days before the exam.

**You must bring your Photo ID with you.**

Please see the Level 3 Specification - Examination Guidance section for current exam rules and exam format.

The exam papers will then be sent to WSET Awards in the UK for marking (usually takes around 2 months for the results).

## **Graduation Ceremony**

When you pass the exam, we will present you with your WSET Level 3 Certificate and your Level 3 Lapel pin at our Graduation Ceremony, or post them to you if you cannot attend.
