

How it works – Online WSET Level 2 Award in Wines

After Enrolment

When the final payment is received, you will be registered with WSET and you will be sent login instructions for your course in the WSET Online Classroom a couple of days before the course starts.

Course Participation

When your course starts, you can login to your account and then perform the weekly exercises as you wish, either, on track, ahead or catch-up.

If you have any question then simply email the WSET Educator assigned to the course via the online classroom, or contact us at Vinum Vitae APP for local support (responses within 2 business days).

After the 5-week course is complete, the online course becomes read-only for postings, however you will still have access to quizzes and the mock exam.

Exam

You must attend face-to-face exams at the specified venue, on the specified date and time. The exact exam registration time will be given to you a couple of days before the exam. Please note, the exam may be on weekdays during working hours.

The exam papers will then be sent to WSET Awards for marking (usually takes around a month).

When you pass the exam, we will present you with your WSET Level 2 Certificate and your Level 2 Lapel pin at our Graduation Ceremony.
